- g. in the absence of appropriate IDs, certificate from the company or gov't. institution or barangay stating that they are working thereat or certificate from the barangay chairman that the person is a resident of the barangay and not belonging to those restricted individuals.

SECTION 4. OPERATION OF ALL BUSINESS ESTABLISHMENTS INCLUDING TOURIST INDUSTRY. All business establishments are allowed to open and operate at fifty percent (50%) operational capacity or using the herein formula for its operational capacity (Floor area divided by 2 square meters = allowed no. of persons in the establishments), while encouraging work-from-home and other flexible work arrangement, where applicable. As to the operation of accredited tourist industry, the required **Certificate of Authority to Operate** shall be secured first from the Department of Tourism (DOT) prior to its operation. While those that are not accredited, they shall secure a **Certificate of Authority to Operate** from the Provincial Tourism Office.

However, for hotels and other accommodation establishments, only those accredited as provided by law and relevant DOT and DILG issuances may operate, and only upon issuance of a Certificate of Authority to Operate by the DOT.

Establishments for leisure purposes enumerated in Section 1.a hereof are not allowed to operate.

Restaurants, bistros, eateries, cafeterias, and other food chains can operate for dine-in but with strict observance of health protocol cited hereof particularly on social distancing.

The number of entrance and exit to public market shall be left to the sound discretion of LGU.

Malls shall limit entry of shoppers and implement mandatory temperature check and mandatory use of face masks and alcohol. They are required to keep the centralized temperature at 26 degrees Celsius and stop offering free WIFI to discourage people to “linger” inside the malls.

Shoppers at “ukay-ukay” shall be regulated by limiting its numbers so as to enforce social distancing with strict observance of health protocols like establishing handwashing areas and use of thermal scanners for shoppers at the entrance.

The policy of “Reservation Only” shall be observed in all resorts and tourist destinations in the province so as to strictly implement the 50% capacity, thus, no walk-in patrons/customers shall be accepted.

Notwithstanding the foregoing, the negative list of industries issued by DTI shall remain prohibited to operate.

The policy of “No Face Mask, No Face Shield, No Entry” shall be strictly observed in all business establishments.

Establishments, for purposes of contact tracing, must ask for CCTS ID from their customers. In the event that their customers do not have the said CCTS Ids, the concerned customer(s) shall be required to apply/enroll for CCTS Id.

SECTION 5. ONLINE MODE OF PAYMENT. Public utilities (electric, water, telephone) shall establish online payment of bills. Other establishment may likewise adopt the same alternative mode of payment to curb the spread of COVID-19.

SECTION 6. OPERATION OF GOVERNMENT OFFICES. Work in government offices may be at full operational capacity or under such alternative work arrangements as agencies may deem proper in accordance with the relevant rules and regulations issued by the Civil Service Commission (CSC).

SECTION 7. MASS GATHERINGS ALLOWED. Mass gatherings such as but not limited to movie screenings, concerts, sporting events and other entertainment activities, religious services and work conferences shall be allowed provided that participants shall be limited to fifty percent (50%) of the seating or venue capacity.

Appearance/attendance of participants on these gatherings shall be strictly recorded for future contact tracing stating therein the date and venue of gathering, name and residence (street, barangay and municipality/city) of the attendees.

SECTION 8. CLEAN-UP AND DISINFECTION DAY EVERY FRIDAY. LGUs, NGAs and Private establishments shall observe a clean-up and disinfection day of its buildings and offices every Friday.

To give way for disinfection, all government offices shall suspend work every Friday at 3:00 p.m.

SECTION 9. OBSERVANCE OF HEALTH PROTOCOL. The following health protocol shall be observed in all offices, private or public, and establishments, to wit:

- a. social distancing (minimum of at least 1 meter).
- b. mandatory and proper wearing of face mask.
- c. designated washing areas at the entrance of the establishment or in area accessible to the customers.
- d. provision of footbath at the entrance
- e. thermal scanning for entering customers will be done, and

- f. prohibition on spitting in public places.

IATF of LGUS shall designate Municipal/City Monitoring Team who shall strictly monitor compliance herewith and thereby authorized to issue citation tickets for violators of this Executive Order in accordance with the penalty imposed by Provincial Ordinance No. 36 dated August 10, 2020.

SECTION 10. RESTRICTION ON NON-ESSENTIAL ENTRY AND EXIT.

a. **Non-essential entry** of people from outside of the Province of Sultan Kudarat is restricted, especially persons who are at high risk of being infected i.e., 60 years old and above, immunocompromised or with co-morbidities and pregnant women, except:

- (1) health workers,
- (2) authorized government officials,
- (3) those travelling for medical or humanitarian reasons,
- (4) persons transiting to other provinces for essential and authorized travel
- (5) persons providing basic services and public utilities, and
- (6) labor, essential skeletal workforce and
- (7) members of the Press

Persons entering the province shall present their valid IDs, contact numbers and travel history and to submit themselves to check up for symptoms of the disease in accordance with Department of Health (DOH) protocols and guidelines. At the checkpoint, they shall also show cause of their entry to the province.

Returning Locally Stranded Individuals (LSIs) and repatriating Overseas Filipinos (OFs) shall present their Travel Authority and Medical Certificate at the border checkpoints.

b. **Non-essential exit** of people from the Province of Sultan Kudarat, is restricted, except:

- (1) health workers,
- (2) authorized government officials,
- (3) those travelling for medical or humanitarian reasons, and
- (4) those who were granted entry based on the above-mentioned provisions, provided that all persons leaving the Province of Sultan Kudarat must be checked for signs and symptoms (e.g., fever, respiratory symptoms, diarrhea) at exit checkpoints

c. **Essential entry and exit of residents** from one municipality/City of Tacurong to other municipality/City of Tacurong within the Province of Sultan Kudarat, other than leisure, are allowed, more so, if it is for medical or humanitarian reason.

Moreover, essential entry and exit of people from our neighboring provinces of Maguindanao and Cotabato shall be allowed since they will be passing by our province in going to their detached municipalities, i.e. Buluan-Shariff Aguak passing by Tacurong, Isulan and Esperanza and vice versa; Isulan-Lebak or Kalamansig passing by Upi, Maguindanao and vice versa; Tacurong-Columbio passing by Buluan and Datu Paglas, Maguindanao etc. as our geographical make-up is not contiguous.

Furthermore, there are interlinkages between the province of Maguindanao, Cotabato and Sultan Kudarat in commercial transactions to So. Cotabato and Gen. Santos City and the delivery of their goods, commodities and agricultural products to the seaport and airport of General Santos City will pass through our province.

SECTION 11. STRENGTHENING REGIONAL BOUNDARIES. Regional boundary situated in the Municipalities of Pres. Quirino, Brgy. Kalandagan in Tacurong City, Esperanza, Brgy. Kolambog in Isulan and Columbio shall be strengthened by enforcing the “no identification, no entry policy.” Concomitant to this, a Border Pass shall be issued by the PIATF to vehicles entering SK province at the said borders. Said Border Pass shall bear the name of the driver and passengers, plate number, time of ingress in the province and egress thereof. Upon its egress, the said Border Pass shall be surrendered at the border checkpoint and then turned over by the local enforcer thereat to the MESU of concerned LGU.

Public transport going outside and inside of SOCSKSARGEN region shall have a list of their passengers with their destination. Said list shall be furnished the PESU for future contact tracing.

Passage of government vehicles, including vehicles of COVID-19 frontliners, ambulance, fire trucks and other emergency vehicles, shall not be hampered.

Public transport coming from outside of SOCSKSARGEN region may be allowed entry provided it is from point to point, i.e., terminal to terminal, thus, no picking-up of passengers along the highway. Dropping of passengers along the highway may be allowed. Listing of passengers with their addresses and destinations shall be done at the terminal prior to their boarding on the public transport. Said list shall be furnished the PESU for future contact tracing.

AFP and PNP personnel including health sector manning the checkpoint shall see to it that all passengers, including the driver, undergo thermal scanning. Those found to be of high temperature shall be turned over to the nearest Triage.

SECTION 12. ENTRY OF PERSON COMING FROM OUTSIDE OF SOCSKSARGEN REGION TO BE QUARANTINED. Persons entering the province of Sultan Kudarat coming from other regions but domiciled in Sultan Kudarat who are ROFs and LSIs, particularly those who came from regions where local transmission is prevalent, shall be required to undergo monitored maximum of fourteen (14) day quarantine in Isolation Facility or home quarantine.

A recovered confirmed case may be reintegrated to the community provided that individual will undergo seven (7) days strict home quarantine aside from the 14 day quarantine aforementioned. Said individual shall undergo rapid diagnostic test after completion of the said 7 day home quarantine.

If the person allowed entry in our province will be showing any signs or symptoms of COVID-19, the concerned BHERT shall report as such to the Provincial Epidemiological Surveillance Unit (PESU) and the latter will accordingly act on the said report.

SECTION 13. OPERATION OF PUBLIC TRANSPORT. Public transport will be allowed to operate in the Province of Sultan Kudarat at a reduced capacity provided strict social distancing and wearing of face mask and face shield will be observed.

Passengers who are not wearing face masks, face shields and who do not have Identifications shall not be allowed to board PUBs, PUVs or tricycles.

Tricycles with municipal or city franchise/permit shall not be allowed re-entry the moment it goes out of its route. This is to restrict its operation to assigned route only.

To observe courtesy among LGUs, tricycles shall ply within their respective routes only and shall not be allowed to ply outside of their required routes. Violators shall be dealt accordingly.

This section does not cover private tricycles (see section 2 of E.O. No. 30 issued on April 17, 2020 by the Provincial Governor of Sultan Kudarat on the context of public transport) as the owners thereof have the right to travel recognized by law.

Public transport coming from outside of the province of Sultan Kudarat may be allowed entry provided it is from point to point, i.e., terminal to terminal, thus, no picking-up or dropping-off of passengers along the highway. Listing of passengers with their addresses and destinations shall be done at the terminal prior to their boarding on the public transport. Said list shall be furnished the PESU for future contact tracing.

LGUs are advised to establish a tricycle terminal at the border, but not along the national highway, to drop-off their passengers. Neighboring LGUs shall coordinate with each other as to the establishment of terminal at the border for this purpose.

SECTION 14. NO. OF PASSENGERS ALLOWED TO BOARD PUBLIC TRANSPORT AND PRIVATE VEHICLES. For strict compliance with social distancing, the following public and private vehicles shall only be allowed to have the following passengers:

(For clarity, the driver is excluded in the counting)

Tricycle – two (2) passengers: one (1) in front and one (1) at the back. The passengers shall be isolated and/or separated from each other and the driver by a covering or thick transparent plastic.

Multi-cab – seven (7) passengers: one (1) in front, besides the driver, and six (6) at the back

– three (3) fronting each other . If possible, passengers fronting each other shall be isolated and/or separated from each other and the driver by a covering or thick transparent plastic.

Commuter Van

- 18 seaters Grandia – nine (9) passengers
- 14 seaters van – seven (7) passengers

Automobile – three (3) passengers

SUV – five (5) passengers

Pick up (double cab) – three (3) passengers: one (1) in front besides the driver; two (2) at the back. Backriders at the pick up’s cargo bay shall not be allowed.

Cargo Truck – maximum of five (5) personnel, with or without load, one (1) in front besides the driver and four (4) personnel at the back

Motorcycle - one (1) passenger, without distinction, provided he is wearing a face mask, helmet and barrier.

Considering that some barangays in the coastal towns of Lebak, Kalamansig and Palimbang including the mountainous portions of Sen. Ninoy Aquino, Bagumbayan, Esperanza, Columbio are considered Geographically Isolated and Disadvantaged Areas (GIDAs) wherein mobility has been limited because of the absence of regular public transport use motorcycle instead as one of the means of transportation thereat, thus, motorcycle back riding is allowed without distinction as to what kind of passenger back riding therein.

A safety barrier whose design is duly approved by the IATF National Task Force COVID-19 must be placed between the driver and passenger. However, reason dictates that spouse, siblings, children parents and common-law wife who are living in the same household are no longer required to place the said barrier between the driver and passenger.

The regulation of bicycle, being one of the modes of our constituents’ transportation due to Community Quarantine, shall be left at the discretion of LGUs.

No increase of fare shall be imposed by public transport operators/drivers upon the riding public.

SECTION 15. IMPLEMENTATION OF UNIFORM TRANSPORT CODING FOR ALL VEHICLES, PUBLIC AND PRIVATE TRANSPORT, IN THE ENTIRE PROVINCE. There shall be a uniform odd-even scheme for public and private transport on the roads within the

Province of Sultan Kudarat. Tricycles with municipal franchise, public and private transport shall be allowed to use public roads, streets and other thoroughfares within the territorial jurisdiction of the Province of Sultan Kudarat on the following days:

- a. Mondays, Wednesdays and Fridays – plate no., conduction sticker or control number ending in 1,3,5,7,9
- b. Tuesdays, Thursdays and Saturdays – plate no., conduction sticker or control number ending in 2,4,6,8,0
- c. Sundays – “No Movement Day”

The basis of transport coding on tricycles and those with no issued plate are their control number or conduction sticker issued by the concerned LGU or car company, respectively.

The following are, however, exempted from the Odd-Even Scheme, to wit:

- a. Elective and appointive officials and employees of the government who are going to and fro their public duties;
- b. Physicians, Medical or Health personnel and employees of other allied services going to and from their work;
- c. Religious leaders, priests, imams;
- d. Media personalities;
- e. Members of the LGU Inter-Agency Task Force/Covid Task Force/Incident Management Team;
- f. Farm/Food Industry/Bank/Money Transfer/Groceries/Convenience / Funeral Employees;
- g. Public Utility Employees (SUKELCO and SK Water District, Telecommunication, Energy and Water Companies, Sanitation);

The following vehicles are also exempted from the Odd-Even Scheme, to wit:

- a) Armored vehicles;
- b) Red plate vehicles;
- c) Cargo trucks;
- d) Ambulance;
- e) Rescue Vehicles;
- f) Bicycles provided that the driver has quarantine pass;
- g) Vehicles of members of the LGU IATF/Covid Task Force/Incident Management Team;
- h) Vehicles of Skeletal Work Force of LGU;

SECTION 16. “NO MOVEMENT DAY ON SUNDAY”. The “No Movement Day on Sunday” is re-implemented in the entire province of Sultan Kudarat every Sunday. No individual is allowed to go out on the said days, except our local enforcers on duty, media, health practitioners going to hospital and health facilities, frontliners, Governors, Vice Governors, Mayors, Vice

Mayors, emergency and rescue personnel on actual emergency and rescue operation and other individuals on emergency situation.

All business establishments shall be closed on the said days, except Hospitals and pharmacies

SECTION 17. UNHAMPERED MOVEMENT OF ALL TYPES OF CARGOES. The movement of all types of cargoes by land, air or sea within and across the Province of Sultan Kudarat shall be unhampered. Workers in the logistics sector, such as cargo, trucking, courier delivery and port operations shall likewise be allowed to transit across the province. Provided, that only a maximum of five (5) personnel, as that stated in section 14, may operate cargo and delivery vehicles by land, with or without load.

No additional passes or travel permits in entering a municipality/city shall be required by LGUs upon the above-mentioned cargo, including its driver and crew, neither will the asymptomatic drivers and crew of cargo or service delivery vehicles to undergo mandatory fourteen (14) – day home quarantine.

Enforcers manning every checkpoint shall require vehicle owners/drivers with food stickers issued by agencies of the government passing the borders to present their business permit to determine the legitimacy of the issued sticker. Those with no business permit shall be required to remove/detach the stickers in their own vehicle.

SECTION 18. OBSERVANCE OF SOCIAL DISTANCING DURING WAKE/VIGIL. Wake/vigil for suspected and probable covid-19 cases shall not only be confined to the immediate members of the family of the deceased as it will now allow non-members to undergo vigil/wake, provided that social distancing is to be observed. Vigil/wake on natural death shall not be longer than five (5) days.

SECTION 19. SCHEDULE OF BURIAL. Burial shall be done on the following schedules: 1) suspected and probable COVID-19 cases shall be within 48 hours after death, and 2) confirmed COVID-19 cases shall be within 12 hours after death.

SECTION 20. RESUMPTION OF GOVERNMENT AND PRIVATE CONSTRUCTION. All construction of projects, private or government, shall be allowed to resume. Movement of employees and movement and delivery of equipment, supplies, and cargoes from government and private contractors shall not be delayed as they are allowed throughout the Province of Sultan Kudarat.

SECTION 21. RESUMPTION OF WORK OF ADMINISTRATIVE STAFF OF PUBLIC AND PRIVATE SCHOOLS AND RESUMPTION OF CLASSES. All administrative staff of private and public schools in the Province of Sultan Kudarat are directed to resume their work and functions, maintaining a skeletal workforce, wearing of face mask and to observe the social distancing in the office.

Classes in the elementary and high school, both in public and private, in the Province of Sultan Kudarat will now resume effective immediately provided:

- a) Modules shall be distributed not oftener than once every two (2) months;
- b) No solicitations shall be made by schools to parents of students/pupils in relation to the different modes of learning;

- c) There shall be comprehensive strategy, healthcare system and contingency plan to combat the COVID-19 pandemic and to address hospitalization and other needs of the concerned teachers and pupils/students should contamination occur; and
- d) There must be a requisite delivery of safe, accessible and quality education.

Limited face-to-face or in-person classes may be conducted in HEIs provided there is strict compliance with minimum public health standards and compliance with guidelines set by CHED.

Face-to-face TVET training and competency assessment may be conducted at up to 50 % training and assessment site capacity, provided there is strict compliance with minimum public health standards and TESDA guidelines.

SECTION 22. OBSERVANCE OF CURFEW HOUR. Everybody is enjoined to observe curfew hour from 9:00 p.m. to 4:00 a.m.

All establishments within the Province of Sultan Kudarat may be closed from 5:00 p.m. to 8:00 p.m.

Individuals who are attending or experiencing emergency conditions which requires immediate action to prevent the loss of life or limb shall be considered exempt from curfew for medical and humanitarian reasons.

Law enforcement agencies are likewise enjoined to observe fair and humane treatment of curfew violators.

LGUs which impose different curfew hour on the ground of peace and order situation shall justify the same through submission of a Resolution passed by the Local Peace and Order Council supported by certification coming from the PNP and AFP in the area.

SECTION 23. MANDATORY AND PROPER WEARING OF FACE MASK. Every Sultan Kudarateños and those sojourning in the province of Sultan Kudarat shall wear a face mask upon leaving their home to go to their respective place of work and other destination. LCEs are encourage to pass an Ordinance to this effect.

SECTION 24. MANDATORY AND PROPER WEARING OF FACE SHIELD. The wearing of face shield shall be required in supermarkets, public markets, malls, public transport and in venues where government initiated meetings and critical government services are being conducted or provided.

In all other public areas, the wearing of face shields shall be highly encouraged. Local government units are enjoined to provide their constituents with face shields, subject to availability of funds, and giving priority to the members of vulnerable population.

SECTION 25. MANDATORY OBSERVANCE OF SOCIAL DISTANCING. The employer shall strictly enforce and observe the social distancing of 1 meter. All establishments where queuing exists shall provide markings to identify the customers designated area to wait.

SECTION 26. NO PRICE INCREASE. There shall be no price increase in basic goods in the midst of COVID-19 pandemic.

To protect consumers from Sultan Kudarat, DTI-Sultan Kudarat shall conduct periodic check on all business establishments to determine if there are irregular price increase and/or hoarding of goods and commodities to the detriment of our consumers.

Concomitant to this, DTI-SK shall also see to it that online sellers shall display prices of their products pursuant to R.A. 7394, otherwise known as Consumers Act of 1972 and R.A. 7581, otherwise known as *“An Act Providing Protection to Consumers by Stabilizing the Prices of Basic Necessities and Prime Commodities and by Prescribing Measures Against Undue Price Increases During Emergency Situations and Like Occasions.”*

Should there be such irregular price increase, appropriate action shall be made accordingly by DTI-SK.

SECTION 27. STRENGTHENING ISOLATION FACILITIES. All municipalities in the Province of Sultan Kudarat and the City of Tacurong shall strengthen their own isolation facilities by providing sufficient manpower for its operation in accordance with the organizational structure provided by Executive Order No. 29 of the Provincial Governor dated April 15, 2020.

The isolation facilities managed by LGUs shall have a 24/7 security personnel to man the said facilities.

Considering the influx of LSIs and ROFs, LGUs shall increase their Isolation Facilities to address the surge of LSIs.

To further strengthen its effectiveness, its LGU shall include the Local Disaster Risk Reduction Management Officer as one of the supervising officials in the isolation facility in their area in accordance with Executive Order No. 29-A dated June 30, 2020 issued by the Provincial Governor.

SECTION 28. TRANSFER OF COVID PATIENT. COVID-19 patients are not allowed to be transferred from one higher level hospital to a lower level hospital. However, transfer may be allowed if he/she comes from a lower level hospital to a higher level hospital.

Patients are to be assessed at the Triage Area of the hospital, whether for admission at a level 1, level 2 hospitals or Municipal/City/Barangay Isolation Unit (MIU, CIU, BIU).
