EXPLANATORY NOTE

It is the policy of the State and the City of Tacurong to protect and promote the right to health of the people and instill health consciousness among them.

In line with this mandate, Section 16 of Republic Act No. 7160 otherwise known as the Local Government Code of 1991, provides that “[e]very local government unit shall exercise the powers expressly granted, those necessary implied therefrom, as well as powers necessary, appropriate, incidental for the efficient and effective governance, and those which are essential to the promotion of the general welfare. Within their respective territorial jurisdictions, local government units shall ensure and support, among other things, the preservation and enrichment of culture, *promote health* and safety, enhance the right of the people to a balanced ecology, encourage and support the development of appropriate and self-reliant scientific and technological capabilities, improve public morals, enhance economic prosperity and social justice, promote full employment among their residents, maintain peace and order, and preserve the comfort and convenience of their inhabitants.”
